

What is Rooted?

Rooted is a 10-week discipleship program and a catalyst for life-change. It provokes questions and conversations and group experiences designed to give you a glimpse of your story in God's story.

How do I register and what does it cost?

Registration is easy! Once registration is open for the upcoming session, click on which time box you want to register for and follow the steps. Rooted registration is \$30 per individual and covers your Rooted materials.

Once you are registered, you will receive a confirmation email.

Where will my Rooted group meet?

All of our Rooted groups meet at Stateline.

Is there childcare available?

Childcare is available for children 0 yrs – 5th grade. Register your children when registering for Rooted.

What if I cannot make it to Week One?

If you miss Week One, your leader will be in contact with you and you can still join your group. For the best Rooted experience, we recommend not missing more than 2 weeks. If your schedule requires you to miss more than two, feel free to jump in when the next Rooted session starts.

What if I cannot make all ten weeks?

We understand that Rooted is a large time commitment, but we believe it is worth it to invest in the entire process. If you know you are going to miss more than 2 meetings, we ask that you wait until the next session of Rooted. The 10 weeks are a cumulative experience, and so we ask that every participant commit to honor each other with being at every meeting.

How will my Rooted group be chosen?

Our Rooted team will prayerfully place participants into groups of about 10-15 people. We group by age, marital status, and life stage. We form groups of married couples, singles, women, men, and young adults. These groups ultimately depend upon the demographic of those who registered. A substantial amount of prayer and thoughtfulness goes into creating groups which we think will provide the best experience for all people who attend. While we do our best to honor requests when possible, we cannot guarantee that we will be able to accommodate all friend or leader requests.

What if Registration is closed?

If registration is closed, please check back for the next Rooted session.

What is the difference between Rooted and a Stateline Group?

Rooted is the on-ramp a Stateline Group. Your Rooted group at the end of the 10 weeks has the potential of becoming your Stateline Group, and so we strongly advise that you go through Rooted before joining a Stateline Group.

Are there scholarships available?

We believe that Rooted is a life-changing experience and we want everyone to participate! We understand that the Rooted fee may be a burden for some and we are happy to provide scholarships. Please email Leslie @ leslie@stateline.church

When will I get my Rooted materials?

Once you are registered you will receive your Rooted materials on our first Rooted night of the season.
